

Group Tour & Tasting Experiences

Peller Estates is pleased to offer the following experiences
to groups of 10 or more guests

Three Generations of Winemaking Excellence

When you visit the winery, you will experience the Peller family's commitment to excellence in winemaking that spans three generations and over 45 years. Discover how the Peller family's dream of producing world-class super premium wines is being carried out each day at the winery. Enjoy a tasting of three Peller Estates VQA wines and time to browse our selection of current and back vintage wines in the Winery Boutique.

Wine and Artisanal Cheese — A Perfect Match

This tour begins with a visit to the vineyard and the underground barrel cellar. Afterwards you will enjoy a selection of local artisanal cheeses and freshly baked breads served with three of our VQA wines. You will taste both red and white wines with the cheeses and try some new combinations that might surprise you. Afterwards, enjoy time to browse our selection of current and back vintage wines in the Winery Boutique.

Icewine & Cuisine

Sipping Icewine is always a pleasure. Sipping Icewine while dining brings even more pleasure. Icewine improves the taste of food and adds a new dimension of flavour and elegance that can be enjoyed with many dishes and styles of cuisine before, during and after dining. Join us to experience four of our favourite Icewine and food pairings and the reasons why they work so well.
